

# Whitsundays Network Upgrade Project - Construction Notice

NETWORK

Part of Energy Queensland

3 October 2024

## Works scheduled for Shingley Drive

Ergon Energy will be undertaking further works on **Shingley Drive** (opposite Hawkes Boatyard) from **Tuesday 15 October** to approximately **Friday 18 October** as part of the Whitsundays Network Upgrade.

## What to expect

During these works, road users, pedestrians, residents, and nearby businesses can expect the following:

### *Impacts associated with these works include:*

- **Traffic management**, with traffic **reduced to a single lane under 'stop-go' traffic control** around the work site.
- **Traffic signage** indicating changed conditions and speed limits around the job site. Drivers can expect some delays during these works.
- **Audible noise** from heavy vehicles, plant, and equipment.
- **Access to driveways will remain open** and will be accessible under traffic control guidance for everyone's safety.
- **Reversing beepers and flashing lights** are a safety requirement and **will be always used** during works.

We thank you for your patience during these works. For everyone's safety, please drive safely and obey traffic signage and traffic controllers on site.

*Please note that all works are subject to weather and other site conditions and published timing may change.*

## Getting in touch with us

To keep up to date on the project, to provide feedback, or to **register for future updates via email or SMS**, scan the QR code or visit our project web page [Whitsundays network upgrade - Ergon Energy](#).
