## **Application for Review Form**

## Request to Change:

- Network Tariff Code; and/or
- Customer Threshold Code/NMI Classification Code; and/or
- · DLF change to LV Bus

Email completed form to: MIMS QESI@ergon.com.au \*Indicates mandatory field Retailer\* NMI\* Name of person completing form **Customer's Name** Street Number\* Street Name\* Suburb/Town\* **Post Code** 1. Network Tariff Code Changes If the meter needs to be upgraded to cater for the new tariff, this form should not be used. Rather, the retailer will need to raise the appropriate B2B and nominate the required tariff on the B2B. Such tariff changes will take effect from the date the meter is upgraded. Tariff changes not requiring meter upgrades can be requested via this form. They will take effect from the next meter read, provided it is an actual read. If the next meter read is not an actual read, the tariff will not be changed. **Current Network Tariff Code\* Proposed Network Tariff Code\*** Reason for change 2. Customer Threshold Code / NMI Classification Please note: Some classification changes may trigger a requirement to upgrade metering at the customer's premises, and Ergon to review the Network Tariff Code applicable to the NMI. Low (NMI classification Not a Small Market Offer Customer <40,000 kWh p.a.) **Proposed Classification** ☐ Medium (NMI classification Small Market Offer Customer 40,000 - <100,000 kWh p.a.) ☐ High (NMI classification Large >=100,000 kWh p.a.) Reason for change DLF change to LV Bus · Please provide drawings if available. Substation ID **Transformer Size Meter Number**
