2. Objective

This Standards Alert is to advise that the following padmount substation has been quarantined and is not to be used until further notice.

- 11kV 1500kVA Padmount Substation.

3. Introduction

The 11kV 1500kVA Padmount Substation S/C 2461473 (PM11/1500/8DJH2S1CB, Assembly 614-7) is not to be used.

Recent installation and commissioning of a 11kV 1500kVA padmount substation has shown that it is somewhat problematic in delivery. As such the decision has been made to extend the quarantine.
