* The NMI can be found on your Ergon Energy Queensland Pty Ltd (Ergon Energy Retail) invoice.

Account Signatory

This is a mandatory section and you must confirm ALL details requested.

Applications with details missing or a strike through of any conditions will be considered invalid.

In all cases, I confirm that:

- I am the farmer of a property which is individually drought declared or within a drought declared local government area;
- I understand fixed charge components include daily supply charge, metering charge and annual fixed charge and exclude minimum demand charges;
- the connection is used primarily for pumping water for farm or irrigation purposes and the percentage for farm/irrigation purposes is correct;
- I have no access to, or have severely restricted access to, farm or irrigation water;
- if I am a large customer (electricity consumption of 100MWh or more per annum), based on my historic consumption and my best estimate of future consumption, I have selected the regulated retail tariff that provides each of my NMIs with the lowest annual charge without taking into account the assistance provided by the drought relief scheme; and
- the information provided in this form is complete and correct.
